

AMENDMENT-1Pre-Bid Queries & Replies/ Clarifications

Subject: Appointment of Design Consultant for Comprehensive Master Planning & Construction of 100 Student Intake Medical College including up-gradation of Existing Hospital as per MCI Guidelines with other facilities at District Pali, Medical Education Department, Govt. of Rajasthan- Pre Bid meeting dated 17.11.2015.

Tender No.: HSCC/Pali- Raj/MC/RFP/2015 dated 04.11.2015.

| S. No. | Pre- Bid Queries | Replies/ Clarifications |
|--------|---|--|
| 1. | Kindly Confirm if only development of Medical College is under scope of Consultant or Hospital Up-gradation also. | In the Tender Document it is clearly stated- "Appointment of Design Consultant for Comprehensive Master Planning & Construction of 100 Student Intake Medical College including up-gradation of Existing Hospital as per MCI Guidelines with other facilities at District Pali, Medical Education Department, Govt. of Rajasthan". |
| 2. | Provide us with the soft copy of the site plan. | Site details are already provided in the tender document- Refer page 76 & 77. |
| 3. | Extension of time by at least a week. | On the request of bidders the last date of submission of bids has been extended till 08.12.2015. The timing of submission & opening of bids remains unchanged. |
| 4. | Kindly share CAD format for site. Plans of existing and new proposed site. Text on the site plan (proposed land) is not visible. | Site details (of both proposed site and existing hospital) are already provided in the tender document refer page 76 & 77. Bidders may visit proposed site & existing hospital in their own interest. In case of any confusion regarding site location, bidders may contact CMO, Pali Office. |
| 5. | CAD format for existing hospital. Can we get detail drawing of existing hospital? Can you provide us with the sanctioned/ completion drawings of the existing hospital block? | |
| 6. | One contact person information for any further queries. | Please refer tender document page 6. |
| 7. | Existing 330 bed hospital is presently under up-gradation. Please explain what up-gradation is taking place. | The hospital is in the process of adding another approx. 100 bed mother & child block. |
| 8. | What is the ground coverage and FAR to be considered? | Latest prevailing local bye-laws to be followed. |
| 9. | Permissible height? | |
| 10. | Do we need to take the approval for the hospital building extension? Do we need to take Star Rating from GRIHA for the proposed structures and upgraded teaching hospital? | Yes, all the approvals, surveys etc. are in the scope of the Consultant. |

Prospective bidders are advised to regularly scan through HSCC web site as corrigendum/ amendments etc., if any, will be notified on the HSCC web site and no separate advertisement will made for this.
